

Goddess Girl

All my love is still on hold
(But) You want him more than me I'm told
There's nothing that I can do
But write a song that's just for you

Oh why can't you be mine
Oh why can't you be mine

I thought we just had a moment baby
Why'd it all turn bad
Oh I'd die for you now

Goddess girl won't take me back
Left me here with a heart of black
There's no need to search no more
You're the one I've been looking for
You're the one I've waited for

You're the one, that I want, you're the one I want baby stay woohooo

If you don't take my love back I'll be reeling
But I will love you through my heartbreak and rejection

You are a goddess I'm just a human man
You are a goddess I'll do the best I can

I'll wait for you
I'll wait for you
